

Welcome to St Augustine's

ST AUGUSTINE'S
SCHOOL

'To love and serve through Christ'

ENCOUNTER ● FLOURISH ● LEARN ● GROW

Welcome from the Headteacher

I am delighted to offer you a warm welcome to St Augustine's school and hope that this prospectus helps you to understand our ethos, mission and vision.

St Augustine's School is a truly unique school. We are exceptionally proud of the community we have created and the achievements of our students. We have extremely high standards in all that we do. Through our approach of our 'St Augustine's Best', we aim to support and develop students to achieve their full potential.

- We were judged to have "Outstanding" Catholic Life of the School by the Catholic Schools Inspectorate in June 2025.
- We are very proud that our GCSE results support our students to go on to incredible futures.
- Our attendance is the strongest in the local area; our students enjoy school!
- We provide our students with 1:1 Chromebooks through our exciting digital literacy strategy.
- We provide vast enrichment opportunities designed to ensure all students have amazing experiences that help shape their lives.

At our school we love and care for students: we focus on knowing the child as well as we know the student. We aim to develop young people who know they are adored and individually valued, who will go into the world and make a difference.

We offer a bespoke transition programme which ensures that all youngsters joining us in Year 7 feel fully supported and a key part of our community at the start of their journey at St Augustine's School.

We promise to do our absolute best to look after your child: just as they are your world, so they will become ours.

God Bless,

Rosa Flanagan,
Headteacher

Mission Statement

At the heart of our school community is our mission: "To love and serve through Christ."

This guides everything we do, from the way we learn and grow together, to how we treat one another with kindness, respect, and compassion. Rooted in Catholic values, we strive to nurture the whole child; spiritually, morally, and academically, so that every student feels empowered to make a positive difference in the world.

Our Curriculum Journey

In the lower years, students study a broad and balanced curriculum with a range of subjects in line with the demands of the national curriculum and our commitment to Religious Education.

Enrichment

We have a wonderful enrichment offer which presents our students with memorable opportunities that can help shape their lives. We are committed to providing 'core enrichment' experience for all students in all year groups - we want our students to see the world, have high aspirations and believe that they can achieve their goals!

Digital literacy

We are leading the way with our approach to the digital world. All students have access to 1:1 Chromebooks which enhance learning and encourage independence in their learning. This allows us to create exciting opportunities for learning that everyone can access. The digital future looks very bright at St Augustine's!

Pastoral Care

We offer outstanding pastoral care for all of our students. Nothing is more important to us than knowing our students are loved and valued. We have a dedicated team of staff who will support students and families to make their experience of school one to remember!

Rewards

We pride ourselves on ensuring we reward students who demonstrate their 'SAS Best'. With incentives such as silent discos, movie afternoons and a trip to Flamingo Land, we believe our students deserve the recognition when they show us their best!
