

# Prayer Stations and Worshipful Spaces

We are now in the most wonderful season of the Church year, that of Easter. This a season full of joy, hope and new life. Our Chapel Prayer Station shows an Easter garden, with the stone rolled away, revealing an empty tomb as Jesus is risen. He is alive and promises new life for all.

Our prayer board reflects the new life we see in the outdoor environment at the moment. We are decorating the empty cross with new starts and new opportunities.

We thought about the FAITH and COURAGE the early disciples had. We pray for faith and courage to face barriers in our lives and to roll these stones away from us.
